## **John Pierce New CUC Chairman**

The Greater New York Construction User Council (GNYCUC) announced that John H. Pierce has been elected Chairman.

He succeeds Christopher

Jaskiewicz, of the Gotham Organization, and Bernadette Vero, of MTA Metro North Railroad.

Pierce is the Senior Vice President, Design & Construction, for the Rockefeller Group and is responsible for overseeing the department's operations and delivery of design and construction services on a national basis.

He has extensive experience in real estate operations, construction and project management throughout the United States and Latin America, having worked for several leading companies in construction, financial services and development.

Pierce was most recently Vice President of Real Estate and Facilities for Phoenix House,

a non-profit substance abuse treatment organization with more than three dozen locations spanning 12 states and the District of Columbia.

Prior to joining Phoenix House, from 2003 to 2012, he was the Vice President and Regional Manager for Turner Construction's Latin American operations, responsible for providing real estate and facilities consulting services throughout Central and South America.

Pierce holds a bachelor's degree in Civil Engineering from Lafayette College in Pennsylvania, is a licensed real estate professional in New Jersey and an active member of IFMA, ULI, ASCE, and the ACE Mentor Program of America.

In addition to his professional experience, Mr. Pierce has served on various philanthropic and educational boards and committees for organizations and institutions including Habitat for Humanity, Urban Assembly High School for Design and Construction and Lafayette College.
